Notes: _____

Pujas are normally performed by donation to Drepung Loseling Monastery. If you wish to also make a voluntary cash offering to the individuals performing the prayers, offerings are traditionally put in separate envelopes and placed in front of the monk(s) near the end of the puja or given at the end of the puja. If you are planning on making individual offerings, please ask us how many monks will be conducting the puja if that information is not provided to you.
