WORKSHOP - 3:00-5:00 PM

DECEMBER 19, 2009

Seret & Sons Gallery (next to Alpine Sports) - 121 Sandoval St, Santa Fe, NM 87501

**The Healing Power of Compassion:
Insights from the Convergence of Modern Science & Buddhist Science of Mind**

In this workshop, Geshe Lobsang Tenzin will present the recent results of a ground-breaking research study at Emory University on compassion meditation, for which he is the principal contemplative investigator. This study is revealing the health benefits of time-tested practices derived from the Tibetan Buddhist tradition of Lojong (Mind Training). The workshop will include a guided compassion meditation and discussion.

\$30 Registration By December 15 • \$35 Registration After December 15

Please register with the monks during the Mandala Sand Painting Exhibition at Seret & Sons Gallery
